

SPECTRE® PS

PRESSURIZED SOLUTIONS

SPECTRE PS Benefits

- Insects don't avoid treated areas due to non-repellent formulation; can be used with baits and IGRs as part of a whole program.
- No worrying about under or over mixing with this ready to use formulation.
- Easy to use actuator gets the product to where pests hide, crawl, live. **KILLS** the pests you **DON'T SEE!**
- Not just for bed bugs or roaches. Also useful for silverfish, wasps, ants, and other occasional invaders.
- Stays around long after the application for extended residual control.
- No visible residue, dries clear, won't stain.

SPECTRE PS Features

- Non-repellent formulation
- Ready to use; no mixing
- Slow acting
- Easy crack & crevice actuator
- Effective against many indoor/outdoor pests
- Long lasting
